

Announcement

The Faculty of Graduate Studies, Mahidol University
Course Equivalency between SIID501 and SCID500

.....

According to the resolution of Mahidol University Council in the meeting no. 482 on March 19, B.E.2557, Mahidol University Council has approved the Faculty of Medicine Siriraj Hospital to open the course: SIID501 MOLECULAR AND CELLULAR BASIS OF BIOMEDICINE (3 credits) starting from the summer session of academic year 2013 onwards.

The Faculty of Graduate Studies with the consent from the Faculty of Science which is responsible for the course: SCID500 CELL AND MOLECULAR BIOLOGY (3 credits) has considered the course specification of SIID501 and observed that SCID500 CELL AND MOLECULAR BIOLOGY has the equivalent content to SIID501 MOLECULAR AND CELLULAR BASIS OF BIOMEDICINE.

Therefore, a student can register in a program that includes SCID500 or SIID501 in the curriculum structure as follows:

- SCID500 CELL AND MOLECULAR BIOLOGY (3 credits)
- SIID501 MOLECULAR AND CELLULAR BASIS OF BIOMEDICINE (3 credits)

Since the content of these two courses can be equivalent, a student can take either one of these courses and the credits of either one of these courses can be counted for graduation.

This announcement shall be effective since the summer registration of academic year 2013.

Announced on May 12, B.E.2557

(Prof. Banchong Mahaisavariya, M.D.)
Dean, Faculty of Graduate Studies
