Dress Code for Graduation Ceremony

Male graduates must wear a plain white long-sleeved shirt with a formal dark blue or navy suit, and buttons must not be made of metal (a black suit is **not allowed**). Graduates from affiliated institutions of Mahidol University must wear their proper uniform. All male graduates must wear dark-colored socks with plain black leather shoes without any decorative ornaments (made of metal), a graduation gown, and maintain a standard haircut. Long fingernails are **not allowed**.

Female graduates must wear the proper university uniform with a straight, knee-length, dark blue or navy skirt (black is **not allowed**); the skirt should not be too tight or too long as it may hinder curtsy. Graduates from affiliated institutions of Mahidol University must wear their proper uniform. All female graduates must wear plain stockings with no pattern, plain black leather shoes without any decorative ornaments (made of metal), no stiletto heels, a graduation gown, and maintain a proper hairstyle (not covering the face). Do not wear accessories such as necklaces, rings, or hair bows. Long fingernails are **not allowed**. Pregnant graduates should wear an all-white maternity gown that is shorter than the graduation gown.
